YOU'RE INVITED TO JOIN US ONLINE

AT INTERNATIONAL CITIZEN DAYS 2025

Are you ready for a career move that blends professional growth with an exceptional quality of life? Welcome to Greater Copenhagen, where opportunities are as exciting as the region itself – and where ambition and innovation meets a perfect work-life balance.

You're invited to join us online on 19-20 September 2025, where International Citizen Days offers a broad range of talks on everything from housing, job, taxes, and finance to healthcare, childcare, culture and leisure to help you explore life in Denmark before you even arrive. Whether you're actively planning your move or just exploring your options, the event allows you to connect with public authorities, private organisations and local communities to learn more and help you take the leap.
